

HD351

LIGHTWEIGHT IN-EAR HEADPHONE

Description

Keeping it simple, the HD351 features classic black or white colour options and delivers outstanding sound quality in a lightweight in-ear headphone.

Equipped with 13.5 mm neodymium drivers, the Superlux HD351 delivers an impressive listening experience. With low distortion and a strong bass line, the HD351 brings an authentic and detailed sound experience.

Equipped with three different sizes of earplugs, the HD351 enables you to find the best fit to eliminate background noise in noisy environments so that all you have to do is pay attention to and enjoy the music.
