

HD685 HIGH-DEFINITION STEREO HEADPHONES

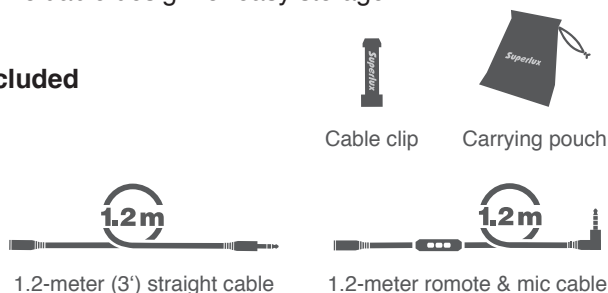

Description

Designed to reproduce a tight bass while also featuring a sweet and clear mid-high sound profile, the HD685 is a pleasant partner for enjoying your music on the move, whether walking or sitting in a coffee shop. Its foldable structure allows for easy storage, saving your space, and the extra headphone cable includes an in-line control with microphone to allow you to easily pick up an incoming call. The HD685 is the perfect companion to enjoy your favorite music wherever you go.

Features

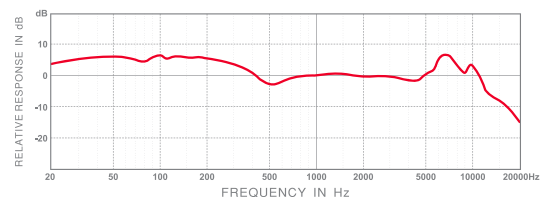

- Reveals details and powerful bass for today's music
- In-line control headphone cable with microphone, made for smartphones
- Soft ear pads and headband provide comfortable fit
- Foldable design for easy storage

Included
