

HD681 EVO

A great headphone gets even better

HD681 EVO Professional Monitoring Level Headphones

The best-selling model HD681 is a high quality headphone with rich bass, crystal clear high resolution and accurate sound field positioning. Now the new HD681 EVO upgraded version has a completely new, more slender shape and an improved smoother, more neutral, treble tone. The HD681 EVO easily meets the requirements of stage and studio professionals for a high-quality sound in monitoring headphones.

- New styling and more slender design, plus an improved smoother, more neutral, treble tone
- 50 mm large-diaphragm speaker unit to reproduce accurate sound and large dynamic
- Semi-open acoustic design
- Aural design provides natural sound, able to maintain a comfortable feel during prolonged use
- Self-adjusting headband provides the best fit
- Detachable, single side cable
- Optional two colors: black and white
